

What is E-life?

Engage

with us by using the Edfibre app to request support and schedule appointments with dedicated Employability.life coordinators.

Learn

and receive a certification of the Advanced Employability Programme, created by a global network of experts to start your career journey.

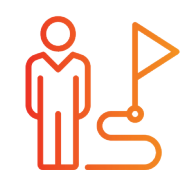

Interact

with us by coming to the weekly sessions to connect with coaches, make friends and build purposeful life in Australia.

Find

your future by creating networks, connecting with companies and crafting a strategy for success.

Employability

means becoming a professional. Find good jobs and learn to keep and grow in them.
