

Modules & Activities

Influence

ELWIO1

Imagine yourself

Create and record a video and articulate how your ambition changed from childhood to college. What factors triggered those changes?

ELWIO2

Explore possible selves

Reflect on a given video

ELWIO3

Test the possibilities

Fill-up the provided worksheet with the objective of being a “teacher”

ELWIO4

Craft experiments

Upload a personal mind-map

ELWIO5

Shift connections

Learn about email personalisation and write a personalised email letter to the hiring manager of Tesla

ELWIO6

Launch ‘start-up of you

Learn how to prepare an impressive CV showcasing your own value proposition and upload it

ELWIO7

Tell your story

Understand more in-depth about storytelling: write a cover letter by incorporating storytelling elements to apply for your dream job

ELWIO8

Find your audience

Exercise to rate each of the individuals and profession DOPE level with justification

ELWIO9

Make sense

Start-stop-continue analysis exercise and justifying how can you remain yourself without losing your identity

ELWIO10

Be yourself

Record a video of yourself sharing about: a life-changing experience. How you have changed over the years and what things have remained unchanged about you?
