

# Modules & Activities

## Cultural Intelligence

ELCI01

### *Accept differences*

Define culture and make an Intercultural Action Plan for yourself – how will you develop your own intercultural knowledge?

ELCI02

### *Understand the differences*

What does success look like to you?

ELCI03

### *Be respectful*

Prepare a list to show how you show respect in your culture, and research ways to show respect in a different culture

ELCI04

### *Communicate*

Plan on how to improve your communication skills

ELCI05

### *Understand decision making*

Recall an important school/work decision you made. How did you go about making that decision?

ELCI06

### *Learn to disagree*

Create your own resource list, write 3 things you've learned, and + 5 min video overview or response to a video from coaches' resource list

ELCI07

### *Develop trust*

Improve your online profiles, CV, references — how can you build people's trust in you?

ELCI08

### *Understand time*

Write about your attitude towards time and how has it evolved. Calculate your time usage

ELCI09

### *Deal with uncertainty*

Find a poem from a different culture on the topic of uncertainty, and share

ELCI10

### *Be culture smart*

Create a cultural profile of a country you know nothing about
